

Marie Johnson Miller

I married Russell D. Miller on September 28, 1963, and finished my senior year of high school through correspondence. I returned to Emery County and graduated with my class. At that time, we were living in Murray, Utah, and Russ had started working for Mountain Bell.

We lived in Salt Lake for several years and then moved to Cedar City where we still live. Our home is located 3 miles north of Cedar City on 8 acres of ground and we have several horses, cows, dogs, cats, etc. We very much enjoy the country atmosphere.

Russ worked for the telephone company (U.S. West) as assistant manager of Distribution Services. I worked for Utah International as a payroll clerk until the Iron Mines closed then went to work for Cedar City Products Co. (a division of Hallmark Cards) as payroll clerk. I left there and attended one year of college at Southern Utah State and then became Senior Regional Manager for A.L. Williams, inc., a financial service company.

We have three children, Clint, Kelly Anne, and Jason.

Russ and I have been very active in the Iron County Search and Rescue and in State and National organizations. Russ has served as State and National Commander and because of our involvement with this organization, we have met a lot of people and traveled extensively throughout many of the Western States.
