

## **Linda Blackham Patch**

I taught at Weber State College for a year in 1972. When I came home for the summer, I was offered a better position at CEU. I taught there for almost 40 years. I retired in the spring of 2021.

I have six children, three girls and three boys.

Dalina Hussey (daughter) passed away 2 years ago in February: Seth (grandson) was killed at age 5 on a four wheeler, Abbey (granddaughter) has 4 children ( all great grandsons) and Ethan (grandson)

Lenette Vawdrey (daughter) : Katlyn (granddaughter), Alexa (granddaughter) has 1 (great grandson), Keaton (grandson) and Chloe (granddaughter)

Jeffery Wilson (son)

Amber Nielson (daughter): has 5 children (all grandsons)

Scott Davis (son): Harley (granddaughter) and Noah (grandson)

Trenton Davis (son)

Which totals: 6 children, 14 grandchildren and 5 great grandchildren!

I married Robert (Bob) Patch in July of 2017. We keep busy with family, church and life.

We are currently in a small branch (3 couples) in the Price North Stake. We have our sacrament meeting and then go to the Carbon County jail. We teach the women inmates and then the men. We have been serving for a year in February and will for a total of three years. We love this calling (the spirit is strong)! It's going by too fast!

We are also blessed with serving at the Manti Temple on Wednesday afternoons. We feel it is a great privilege!

We have been driving the way of Huntington Canyon (beautiful drive). Brings back childhood and adulthood memories. So thankful for the area and community I grew up in.
